Figure 5: Before table is formatted for viewing on desktop

A screenshot of Microsoft Internet Explorer displaying a web page with a three-column layout. The left column contains a heading 'Departments' followed by a bulleted list of categories: Apparel, Computers, DVDs, Electronics, Flowers, Jewelry, Sports, Toys, Video Games, and more depts. The middle column contains a heading 'Stores' followed by a bulleted list: Eddie Bauer, Gap, Barnes & Noble, Victoria's Secret, and more stores. The right column contains a heading 'Features' followed by a bulleted list: Holiday Gifts, Harry Potter, Xbox Exclusive, Free Shipping, and Toys by Age.

Figure 6: After table is single-column-formatted for viewing on handheld

A screenshot of Microsoft Internet Explorer displaying the same content as Figure 5, but in a single column format. The left side of the screen contains the 'Departments' section, the middle contains the 'Stores' section, and the right contains the 'Features' section. Handwritten annotations with arrows point from the top of each section to the corresponding part of the table. A handwritten note '406' is also present near the bottom center of the screen.
